

THE WHITE HOUSE

WASHINGTON

October 13, 1988

Dear Tom:

Thanks for writing me about the President's signing of H.R. 442, the Civil Liberties Act of 1988 and Aleutian and Pribilof Islands Restitution Act.

As we discussed yesterday, this is a subject that the President feels very strongly about, and I am enclosing a copy of the President's remarks from the signing ceremony.

I will be looking forward to Grant's recommendations on the educational trust fund. You can be sure that they will be given careful consideration.

With best wishes,

Sincerely,

Kenneth M. Duberstein  
Chief of Staff to the President

The Honorable Thomas H. Kean  
Governor of New Jersey  
Trenton, NJ 08625
